

UNIVERSITY OF
NORTH★TEXAS[™]
SYSTEM

BOARD OF REGENTS
SPECIAL CALLED MEETING

March 26, 2009
2:00 – 4:00 p.m.

University of North Texas Health Science Center
3500 Camp Bowie Boulevard
Luibel Hall (EAD 108)
Fort Worth, Texas

- I. Call to Order
- II. Invited testimony from representatives of the MD Degree Study Group (20 minutes)
- III. Invited testimony from representatives of the Texas Osteopathic Medical Association, American Osteopathic Association, and Texas College of Osteopathic Medicine Alumni Association (20 minutes)
- IV. Public Comment Session (from close of invited testimony until adjournment, estimated to be 4:00 p.m.)

Speakers will be called in the order listed below and will be allotted no more than 3 minutes each to allow for the broadest possible level of public participation. The Board will hear from as many speakers as possible, but given the large number of registrants it is likely that we will not reach all those who registered.

Speakers may choose to simply state their position, either for or against, and waive the remainder of their time, in which case the Board will hear from the next listed speaker. Speakers also should feel free to yield their time, but only to another registered speaker shown on the list below. Speakers are asked to avoid repetitive testimony in order to maximize the number of speakers able to address the Board in the time allotted.

Speaker List

- 1 Mike Moncrief or Designee
- 2 Mark A. Baker, D.O.
- 3 Clay Franklin
