SPECIFICATIONS

All work should be clearly identified on the right front corner with student name, school, county, teacher, division, price and phone number (if available for purchase). Each school is responsible for their own tags. Artwork will not be accepted without proper identification. We prefer your email address for quick award notification.

The cost per entry is **\$3.00**. The maximum entries per student is four. Entry of a work is not a guarantee of acceptance. Checks are preferred. Please make your check out to UNTHSC Foundation Account #97207 or the UNTHSC Foundation Art Scholarship Fund. Payment is due when artwork is delivered.

All 2-dimensional work on paper should be matted. Framed paintings should have screw eyes and wire. Make your students aware that good presentation is important.
Tip: Try to avoid entering copy work. Judges look for skill level and originality.
