

**Financial Aid Request for at Home Child Care Allowance  
2011-2012**

Name: \_\_\_\_\_ Student ID#: \_\_\_\_\_

You are requesting an adjustment to your cost of education. This adjustment is based upon your spouse being unable to work in order to provide care for your child/children within your custody.

You must be able to demonstrate that your family would suffer a financial hardship if your spouse worked and had to pay for child care. You must provide this explanation in a detailed letter. The letter should include the following information:

- ✓ Name of the child/children and age(s)
- ✓ Explanation of financial hardship if spouse worked
- ✓ Estimated cost of child care if spouse did not care for child/children at home
- ✓ Number of months your spouse will provide child care for your child/children from June 1, 2011 - May 30, 2012

The standard allowance will be **\$350** per month regardless of the number of children in the household. However, this total allowance when added to the household income shown on the FAFSA can not exceed the income protection allowance as determined by the Dept. of Ed.

**CERTIFICATION:**

All of the information provided is true and complete to the best of my knowledge. If asked by an authorized official, I agree to provide additional documentation necessary to verify my request. I certify that I have read and understand the requirements above.
