Information You Need to Know
“FAFSA - Free Application for Federal Student Aid”

It is the time of year again to fill out your financial aid application, or FAFSA. You may complete the FAFSA after your tax forms are completed. Visit www.fafsa.ed.gov to complete the application. You'll need your 2006 IRS Form 1040 and any other tax information to fill it out. If you have not yet filed your taxes with the IRS, but have taken the time to figure your tax information using your W2 or last paycheck stub, then you can chose the “will file” option listed on the FAFSA website. Then, once you have filed with the IRS, you can go back into to your application and correct any errors and your filing status. However, if you chose to do this you may be required to submit copies of your final tax information to your counselor to determine final financial aid eligibility.

If you completed a FAFSA last year, you may be able to complete a Renewal FAFSA this year. The information from last year's FAFSA is automatically populated and you make any changes necessary. - Visit www.fafsa.ed.gov and click on “Fill out a Renewal FAFSA”. - You'll need your PIN to complete a Renewal.

Your PIN is very important, so keep it in a safe place. It will allow you to complete the Renewal FAFSA, sign the FAFSA electronically, make corrections to your FAFSA online and access the National Student Loan Database System. Your PIN will never change unless you change it. If you have forgotten it, you can go to www.pin.ed.gov

UNTHSC's Federal School code is 009768.

Please keep in mind that: Certain types of financial aid are given out on a first-come, first-served basis. This means you need to complete your FAFSA as early as possible.

If you have questions or need assistance in completing the FAFSA, please feel free to stop by the Financial Aid office located on the 2nd floor of the Education and Administration Building. If more convenient, you can email us at finaid@hsc.unt.edu or call and ask for an available financial aid counselor at 817-735-2505.
