

GLAUCOMA POSTDOCTORAL FELLOWSHIPS

NIH funded Postdoctoral Fellowships immediately available in the joint laboratories of Drs. Robert Wordinger and Abe Clark. Applicant must have a Ph.D., M.D., and/or D.O. degree. Candidates must have a strong molecular and cell biology background, publication record and excellent written and verbal communication skills. The laboratories currently focus on signaling pathways (e.g. TGF- β , BMP and Wnt) as related to the pathophysiology of glaucoma in the trabecular meshwork and optic nerve head. Applications should include transcripts, curriculum vitae, and a summary of research interests and addresses of 3 references. Applications should be sent to Dr. Robert Wordinger, Professor and Chairman of Cell Biology and Anatomy, University of North Texas Health Science Center at Fort Worth, 3500 Camp Bowie Blvd., Fort Worth, TX 76107. E-mail to: rwording@hsc.unt.edu.

The University of North Texas Health Science Center at Fort Worth is an Equal Employment Opportunity/Affirmative Action institution.
