

Financial Aid Cent\$

Information You Need to Know

For many of our students, January 2nd is the disbursement date for their Spring term aid. This includes students in the School of Public Health and the Graduate School of Biomedical Sciences, as well as TCOM's Physician's Assistant classes of 2008, 2009, 2010 and DO classes 2010 and 2011. Now is a great time to consider setting up direct deposit for your Financial Aid refunds checks. The process takes about 10 business days, so submitting the paperwork before December 1st should allow you to receive your January refund electronically. The form is on the web and is completely interactive - fill in your information, click submit, and you're done! You fill out the form once and then all subsequent refunds are electronic. Click the link below and get started today!

Refunds are processed by the Student Financials Office and may take 1-2 business days to process

Another frequent question is, "How long do I need to make this refund check last?" The answer is a little different for each program. The tentative disbursement dates for the Summer/Fall 2008 semesters by class are listed below to assist students in budgeting their refunds.

Class and/or school	Upcoming disbursement dates
Graduate School of Biomedical Sciences	May 20, 2008
School of Public Health	May 20, 2008
PA Class of 2009	May 23, 2008
PA Class of 2010	May 23, 2008
DO Class of 2009	May 23, 2008 *
DO Class of 2010	May 23, 2008 *
DO Class of 2011	July 18, 2008 *

*May change upon final approval of Academic Calendar
