University of North Texas Health Science Center at Fort Worth, Texas College of Osteopathic Medicine, Graduate School of Biomedical Sciences, Professional and Continuing Education present:

**Osteopathic Collaborative Clinical Trials Initiatives Conference (OCCTIC VI)**

**Hot Topics in OMM Research**

George Thomas, D.O.  
President, American Osteopathic Association  
Scott Stoll, D.O., Ph.D.  
Executive Director, Osteopathic Research Center  
Miriam Mills, M.D.  
Oklahoma State University College of Osteopathic Medicine  
Teresita Menini, M.D., M.S.  
Touro University College of Osteopathic Medicine  
Brian Degenhardt, D.O.  
Kirkville College of Osteopathic Medicine  
John Licciardone, D.O.  
Texas College of Osteopathic Medicine  
Michael Kuchera, D.O.  
Philadelphia College of Osteopathic Medicine  
Shan Wong, Ph.D.  
NIH, National Center for Complementary & Alternative Medicine

University of North Texas  
Health Science Center at Fort Worth  
Center for BioHealth, Room 200

**Thursday & Friday**  
**April 7-8, 2005**

11 Hours Category 1A, AOA  
11 Credit Category 1, PRA/AMA  
13.2 Type 1 Contact Hours, TNA/ANCC

Please turn over for important CE, registration and funding information.
OCCTIC VI
Hot Topics in OMM Research

Activity Purpose, Goals and Learning Objectives
The purpose of this activity is to enrich the provider’s contribution to quality healthcare by giving him/her new and updated information related to recent advances in OMM research. The goal of this activity is to equip providers with information needed to better understand the potential impact of OMM on medical care.

Upon completion of this activity the participant should be able to:
• List three ways osteopathic manipulative medicine can impact chronic disease states;
• Identify at least three theories related to osteopathic manipulative medicine and the promotion of health and well-being; and
• Compare and contrast traditional versus cutting edge research techniques used in osteopathic manipulative medicine outcomes research.

We are pleased to announce that this year’s Osteopathic Collaborative Research Initiatives Conference (OCCTIC VI) will take place in conjunction with Research Appreciation Day (RAD) at UNTHSC.

Physician Accreditation Statements:
The University of North Texas Health Science Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

UNT Health Science Center is accredited by the American Osteopathic Association to award continuing medical education to physicians.

Physician Credit Designation:
UNT Health Science Center anticipates this program being approved for 11 hours of AOA Category 1A CME credit hours pending approval by the AOA CCME.

The University of North Texas Health Science Center at Fort Worth designates this educational activity for a maximum of 11 category 1 credit toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

To receive a certificate of successful completion, participants must attend the activity in its entirety and complete and return the attendance record/credit request form and the evaluation form at the end of the activity.

Nursing Accreditation:
The University of North Texas Health Science Center Office of Professional and Continuing Education is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. This activity meets Type 1 criteria for mandatory continuing education requirements towards relicensure as established by the Board of Nurse Examiners for the State of Texas. This activity is approved for 13.2 Contact Hours.

To receive a certificate of successful completion, participants must attend the activity and complete and return the attendance record/credit request form and the evaluation form at the end of the activity.

Activity Location:
University of North Texas Health Science Center at Fort Worth
Center for BioHealth, Room 200
Call 817-735-2539 for directions.

Funding:
This conference received financial support from the National Institutes of Health, American Association of Colleges of Osteopathic Medication, American Osteopathic Association, Osteopathic Research Center and the American Academy of Osteopathy.

Registration Form  April 7-8, 2005
