PA Studies File Evaluation Request
Deadline to Submit Form: March 15

Applicants who have not been admitted may have their file reviewed by a member of admissions staff to determine if there any areas of concern that may be addressed during the reapplication process. Requests are done on a first-come, first-served basis. Only those who have a completed application on file may obtain a review.

To obtain a file review, applicants must also submit answers to the following questions:

1. In your opinion, what are the weaknesses in your application?

2. Based on the above stated weaknesses, what remedies do you have planned before you reapply for admission?

In addition, applicants must sign the acknowledgement below:

I understand that even if I am successful in completing all of the recommendations sent to me from the Office of Admissions and Outreach, there is no implied guarantee of admission. Furthermore, I acknowledge that my progress on any recommendations sent to me will be evaluated on any subsequent applications to the PA Studies Program.
