

UNT Health Science Center at Fort Worth

School of Public Health - Doctor of Public Health (DrPH)

Characteristics of Texas Public Doctoral Programs		
1	Number of Degrees Per Year	6 (average, 2005-2007)
2	Graduation Rates	DrPH data will not be available until Academic Year 2010-2011
3	Average Time to Degree	DrPH data will not be available until Academic Year 2010-2011
4	Graduate Employment Profile	88% of graduates were working in academic, post-doctorate fellowships, industry/professional organizations or government agencies one year after graduation.
5	Admissions Criteria	<ul style="list-style-type: none"> ➤ Hold a MPH or related master's degree(s) (or terminal clinical/doctoral degree) from an accredited college or university. ➤ Submit an application to the School of Public Health via the SOPHAS (Schools of Public Health Application Service) at www.sophas.org ➤ Submit complete, official transcripts from all colleges and universities attended. ➤ Submit official scores from one of the following graduate admissions examinations: Graduate Record Examination (GRE), Graduate Management Aptitude Test (GMAT), Medical College Admissions Test (MCAT), Law School Admissions Test (LSAT) or Pharmacy School Admissions Test (PCAT). The examination requirement is waived for applicants possessing a professional doctoral degree with a license to practice in the United States. ➤ Three (3) letters of recommendation from professionals who are familiar with the applicant's academic and/or professional work. ➤ Current resume or curriculum vita. ➤ Statement of Purpose (1-2 pages) addressing the applicant's career goals and how the DrPH will assist career aspirations. ➤ International applicants must include an official WES or ECE evaluation report listing course-by-course U.S. grade point equivalency and official TOEFL scores (minimum scores: written = 550; computer-based = 213; internet-based = 79). The TOEFL is waived if the applicant has earned a high school diploma or a bachelor or master's degree from an accredited institution within the United States or Canada. ➤ A minimum graduate GPA of 3.2. Although a minimum GPA has been established, admission to the program is highly competitive. ➤ A minimum of three years of significant public health or other appropriate work experience is strongly recommended. If invited for an interview, applicants are expected to participate in either an on-campus interview or a technology-assisted interview <p style="text-align: right;">More admission requirements are also available online at www.hsc.unt.edu/education/sph/Admissions.cfm#DRPH</p>

6	Percentage Full-time Students (FTS) with Financial Support	88.89% (prior academic year, FTS \geq 18 SCH)																								
7	Average Financial Support Provided	\$14,970.97 (prior academic year, funding per FTS)																								
8	Student-Core Faculty ¹ Ratio	1.34:1																								
9	Core Faculty Publications	48% (average, 2005-2007)																								
10	Core Faculty External Grants	31% (average, 2005-2007 core faculty receiving grant) \$276,420.37 (average, 2005-2007)																								
11	Percentage Full-Time Students	26.48% (rolling three-year average of last three fall semesters)																								
12	Number of Core Faculty	29 (core faculty in the prior year)																								
13	Faculty Teaching Load	9.07 (semester credit hours per core faculty)																								
14	Faculty Diversity	<table border="1"> <thead> <tr> <th>Ethnicity</th> <th>Male</th> <th>Female</th> <th>Total</th> </tr> </thead> <tbody> <tr> <td>White</td> <td>8</td> <td>5</td> <td>13</td> </tr> <tr> <td>Black</td> <td>1</td> <td>1</td> <td>2</td> </tr> <tr> <td>Hispanic</td> <td>2</td> <td>1</td> <td>3</td> </tr> <tr> <td>Other</td> <td>7</td> <td>4</td> <td>11</td> </tr> <tr> <td>Total</td> <td>18</td> <td>11</td> <td>29</td> </tr> </tbody> </table>	Ethnicity	Male	Female	Total	White	8	5	13	Black	1	1	2	Hispanic	2	1	3	Other	7	4	11	Total	18	11	29
