

The Employee Appreciation Day 2008 luncheon is given in appreciation of all the labor and care employees of the Health Science Center give all year long. We ask that students please respect the purpose of this luncheon and know that it is for employees only.

Department Lunch Schedule:

- If it's not possible to come during your assigned time, please come when you can.
- Special arrangements will be made for the night crew.
- We are working individually with off-campus offices to accommodate their needs.
