

The American Osteopathic Association (AOA) guidelines on osteopathic manipulative treatment (OMT) for patients with low back pain have been accepted by the Agency for Healthcare Research and Quality (AHRQ) on its National Guideline Clearinghouse (NGC), and are now listed as "in progress" on the NGC website at:

<http://www.ngc.org/browse/workqueue.aspx>

The guidelines are currently posted on DO-Online at:

<http://www.do-online.org/pdf/AOALowBackPainClinicalPracticeGuidelines.pdf>

“OMPC, open access all the time”
