

Name: Esther Han

Hometown: Plano, TX

Birthday: February 24, 1984

Things I did before Medical School: Made many lifelong friendships and had an unforgettable experience traveling in China for 10 months on a Fulbright

Now when I have free time I: Buy a plane ticket and visit a friend

If I had 3 wishes they would be: One trillion frequent flyer miles; To be practicing medicine; To have enough money to take my family and friends with me when I travel
