

It is once again time for the **UNT Health Science Center** annual gala. This year, we are pleased to present *To Your Health and a Healthier Community* celebrating our newest school, the School of Health Professions. Our event will also honor U.S. Congresswoman Kay Granger for her steadfast support of the UNT Health Science Center.

Careers as either a physician assistant or a physical therapist are among the most rewarding and needed of all the health care professions today. The UNT Health Science Center School of Health Professions, established in 2004, provides training in these areas through two academic departments, the Department of Physical Therapy and the Department of Physician Assistant Studies.

The gala will be held at the Renaissance Worthington Hotel in downtown Fort Worth on **Saturday, November 5, 2011, at 6:30 p.m.** We would be honored if you could join us at the prestigious event and share in our annual celebration. The evening will be a formal, black-tie gala consisting of hundreds of our alumni, friends and supporters, gourmet dining, fellowship and great dance music. It also provides an opportunity for you to invest in our vision of a healthier future for Fort Worth and the nation.

The UNT Health Science Center is dedicated to excellence in education, research, clinical care and community engagement. As a member of the community, you are invited to join us in continuing our tradition of excellence by becoming one of our distinguished supporters. We are pleased to offer you four levels of support:

- Benefactor: \$15,000
- Visionary: \$10,000
- Patron: \$5,000
- Friend: \$2,500

Without your support, we would not be able to continue as one of the nation's distinguished graduate academic institutions. We look forward to receiving your early commitment of support and welcome any questions you may have regarding the event.

If you need additional information, please contact Michelle West at [michelle.west@unthsc.edu](mailto:michelle.west@unthsc.edu) or 817-735-2282.

Sincerely,

Harriette Gachman  
Co-Chair
